

William BLUE Family of SC and NC

1st GENERATION

12A1 (Index Code)

- S12. William **BLUE** (ca1756-1829), m. Mary? _____. He had a land grant on the north side of Buckhorn Swamp in Robeson Co. NC on 18 May 1789. He died in Marion Co. SC, where he was living at the time of the censuses of 1810 and 1820. In 1790 he was in the Georgetown District of SC (which included present day Marion Co.), and in 1800 he lived in Liberty Co. which was the same as Marion Co. Reference C50 states: "I believe he came in from Marion Co. SC. I further believe there were two contemporary William Blues in these areas, perhaps cousins or father and son. One William is said to have been born in Kintire, Scotland. He may have had a brother Daniel (ca1760-1838) who died in Glynn Co. GA. Another brother may have been Duncan. Another brother may have been John (ca175_-ca1835). His father may have been Daniel. Meager data exists on his children but I am suggesting they were: William, Daniel, Alexander, and two daughters, names unknown. Also, Archibald (b.1796)".
- S12.1 William **BLUE**. His existence is based on the 1800 census of Marion Co. SC in which his father is described as William **BLUE** Sr. However, in those days the Jr/Sr nomenclature was used to distinguish between any two members of the community having the same name, not just father and son.
- S12.2* Daniel **BLUE** (ca179_-bef1850), m.1824 Catherine **McARTHUR** (b.ca1805).
- S12.3* Alexander **BLUE** (1801-1879), m.1837 Ann Hobson **ALFORD** (b.ca1805).
- S12.4* Archibald **BLUE** (b.ca1806), m. Margaret Catherine **CHAPMAN** (b.ca1819). Probable son of William.
- S12.5* (Daughter) **BLUE**, m. Daniel **McDUFFIE**.
- S12.6 (Daughter) **BLUE**, m. _____ **CAMPBELL**.
- (In the 1850 census of Marion Co. SC, a Mary **BLUE**, age 45, and a Catherine **BLUE**, age 43, are listed as living next door to Alexander **BLUE** [S12.3]. They are probably the two daughters referred to above.)
